

Marathon Petroleum Company Detroit Safety & Security Standards

The most recently updated version of the Marathon Petroleum Company Standard Practices can be accessed by using the following internet address: <http://www.mapengineering.com/login/asplogin.asp>

STEP 1:

Username: DETSafety

Password: 7NJcr8r9f#

The image shows the login page for the Marathon Petroleum Company. At the top left is the Marathon logo. To its right, the text reads "Marathon Petroleum Company LLC". Below this is a blue rectangular form with two input fields: "User Name:" and "Password:". Both fields have asterisks on the right side, indicating they are required. Below the password field is a small red "show/hide" link. At the bottom of the form is an "Enter" button.

This is a password protected area.
Please enter your user information
above and click the 'enter' button.
[Terms of Use](#)

STEP 2:

Click "I Agree" for the Website
Terms of Use

The image shows two buttons: "I Agree" and "I Disagree". The "I Agree" button is circled in red.

**FOR MARATHON OIL COMPANY,
MARATHON PETROLEUM COMPANY LP AND
ITS AFFILIATES**
Extranet Website Terms of Use
Your use of this Extranet Website is subject to your
compliance with the following Extranet Website Terms of Use
("Terms of Use"). Your use indicates your acceptance, and the
acceptance of your employer ("Contractor") to these Terms of
Use. YOUR ACCESS AND USE ARE PROHIBITED UNLESS

STEP 3:

Select a category on left

STEP 4:

Scroll down the list or search for the
Safety Procedure of interest

The image is a screenshot of the Marathon Petroleum Company website. It shows a search bar at the top with the text "Search for items". Below the search bar is a list of items, each with a small icon and a title. The list is scrollable. The first item is "Safety Procedure of Interest".
