Please note:
Any requests for asbestos/ lead samples can be initiated by filling out the attached bulk sample request form.
The "SUBMIT FORM" button will automatically generate the email; which will be sent to:
GBRASbestos@Marathonpetroleum.com

- Turnaround time:
 - * does not include the weekend (labs are closed)
 - * starts from when the samples were dropped off at the lab, not the day they are collected.
 - * if immediate samples are needed after hours, there will be an additional open lab fee
- Please include an exact date that the sample results are expected back
- Please attach information such as detail description, drawings or photographs
