

# Canton Refinery

## Overview

At Marathon Petroleum Corporation (MPC) we're working to enhance life's possibilities. Every day we live our core values of safety & environmental stewardship, integrity, respect, inclusion and collaboration. By reliably providing affordable, safe and abundant energy from coast-to-coast, we look to power today. We're inspired to make tomorrow even better, and we're just getting started.

Our Canton refinery is located 60 miles southeast of Cleveland, Ohio, and has a crude oil refining capacity of 100,000 barrels per calendar day (bpcd). In December of 2014, a condensate splitter was installed, increasing the refinery's capacity to process condensate from the Utica shale region. The refinery processes sweet and sour crude oils into gasoline, distillates, asphalt, roofing flux, propane, refinery-grade propylene and slurry. Product distribution occurs through pipeline, transport truck and rail.

## Health, Safety & Environment

At MPC, the health and safety of our employee, contractors and communities we call home is a priority. We take steps to ensure an accident-free, incident-free workplace. We've implemented cutting-edge safety measures at the refinery, and are recognized as an industry leader.

At the same time, we are passionate stewards of the environment, engaged with multiple organizations to implement initiatives that protect our environment and inspire responsible practices for future generations.

Below is a list of accolades and accomplishments earned by our Canton refinery.

- > 2017 Achieved Occupational Safety and Health Administration (OSHA) Voluntary Protection Program Star Site and annual assessment completed for 2018
- > 2017 Certified for Ohio EPA's Ohio Encouraging Environmental Excellence Award
- > 2016 Woodlands Wildlife Habitat certified and recertified in 2018
- > 2016 Cambridge Center for Behavioral Studies Gold Level Certification
- > 2009-2017: American Chemistry Council Det Norske Veritas Management System Certificate
- > 2006-2019: U.S. Environmental Protection Agency (EPA) ENERGY STAR facility. This certification has been achieved every year since the inception of EPA's ENERGY STAR program
- > 2007, 2009, 2010, 2012: American Chemistry Council (ACC) Energy Efficiency Award
- > 2004, 2007, 2009-2014 & 2018: American Fuel and Petrochemical Manufacturers Award for Safety Achievement
- > 2004, 2006, 2007, 2009-2018: Stark County Safety Council Special Award

## Community

We believe in responsible citizenship, and are actively involved and engaged in the Canton community. At MPC, we know that community is important. We make it a priority to offer time, talent and financial support for efforts that have a positive impact on the community through science, technology, engineering and math (STEM) related concepts and careers; that make our communities safer places to live and work; and that protect, conserve and sustain our environmental resources. Listed below are some of our partner organizations.

- > United Way of Greater Stark County
- > United Way of Stark County's Chair's Circle Member
- > Dueber Elementary School Partnership
- > Leadership Stark County
- > Mutual aid for fire and other emergencies
- > Drills with local emergency responders
- > Nimishillen Creek Cleanup Day
- > Community Advisory Panel
- > Stark State Oil and Gas Advisory Board
- > R.G. Drage Oil and Gas Advisory Board
- > Veterans Outreach Program
- > Christian Children's Home partner
- > Pro Football Hall of Fame partner
- > Stark County Hunger Task Force Supporter

## Quick Facts

EMPLOYMENT: Approximately 320 employees

REFINING CAPACITY: 100,000 bpcd

Dave Blatnik, Government Affairs  
Manager 2408 Gambinus Ave. SW  
Canton, OH 44706
