

Galveston Bay Refinery

Overview

At Marathon Petroleum Corporation (MPC) we're working to enhance life's possibilities. Every day we live our core values of Safety & Environmental Stewardship, Integrity, Inclusion, Collaboration and Excellence. By reliably providing affordable, safe and abundant energy from coast-to-coast, we look to power today. We're inspired to make tomorrow even better, and we're just getting started.

Our Galveston Bay refinery is in Texas City, Texas, on Galveston Bay, off the entrance to the Houston Ship Channel. In 2018, Galveston Bay merged with MPC's former Texas City refinery into a single world class refining complex with a crude oil refining capacity of 631,000 barrels per calendar day (bpcd). The refinery processes a wide variety of crude oils into gasoline, distillates, aromatics, heavy fuel oil, dry gas, fuel-grade coke, refinery-grade propylene, chemical-grade propylene and sulfur. Products are distributed via pipeline, barge, transport truck, rail and ocean tanker. The refinery has access to the export market and multiple options to sell refined products. An on-site co-generation facility currently has 1,055 megawatts of electrical production capacity and can produce 4.3 million pounds of steam per hour. Approximately 45 percent of the power generated in 2018 was used at the refinery, with the remaining electricity being sold into the electricity grid.

Health, Safety & Environment

At MPC, the health and safety of our employees, contractors and communities we call home is a priority. We take steps to ensure an accident-free, incident-free workplace. We've implemented cutting-edge safety measures at the refinery, and are recognized as an industry leader.

At the same time, we are passionate stewards of the environment, engaged with multiple organizations to implement initiatives that protect our environment and inspire responsible practices for future generations. Below is a list of accolades and accomplishments earned by our Galveston Bay refinery.

- > 2018: Integrated MESA Behavior Based Safety Program across refinery
- > Three Wildlife Habitat Council certified sites
- > Texan By Nature certified site
- > Simply Have Areas Reserved for the Environment (SHARE) Pollinator Partner
- > 2015 American Fuel and Petrochemical Manufacturers (AFPM) Elite Silver Award
- > 2009-2014: Texas Chemical Council Excellence in Caring for Texas Award
- > 2010-2014: Houston Business Roundtable Safety Excellence Award for outstanding performance in promoting and improving contractor safety
- > 2013 AFPM Safety Meritorious Award

Community

We believe in responsible citizenship, and are actively involved and engaged in the Galveston Bay community. At MPC, we know that community is important. We make it a priority to offer time, talent and financial support for efforts that have a positive impact on the community through science, technology, engineering and math (STEM) related concepts and careers; that make our communities safer places to live and work; and that protect, conserve and sustain our environmental resources. Listed below are some of our partner organizations.

- > Texas City-La Marque Community Advisory Council
- > United Way Galveston County Mainland annual employee campaign and charitable golf and fishing tournaments
- > Scholarships for College of the Mainland
- > Education foundations for Clear Creek, Dickinson, Galveston, Santa Fe and Texas City school districts
- > Ronald McDonald House-Galveston
- > Gulf Coast Big Brothers Big Sisters
- > Senior Share of Galveston County
- > Galveston County Fair and Rodeo
- > Bay Area Habitat for Humanity
- > Independence Village
- > Galveston County Food Bank
