

# Garyville Refinery

## Overview

Marathon Petroleum Corp.'s (MPC) Garyville refinery is located along the Mississippi River in southeastern Louisiana between New Orleans and Baton Rouge. It has a crude oil refining capacity of 564,000 barrels per calendar day (bpcd). The Garyville refinery is located on former San Francisco Plantation property, designated a National Historic Landmark.

The Garyville refinery is configured to process a wide variety of crude oils into gasoline, distillates, fuel-grade coke, asphalt, polymer-grade propylene, propane, refinery-grade propylene, dry gas, slurry and sulfur. Products at the refinery are transported by pipeline, barge, transport truck, rail and ocean tanker. The refinery has access to the export market and multiple options to sell refined products. A major expansion project was completed in 2009 that increased Garyville's crude oil refining capacity, making it one of the largest refineries in the U.S.

## Health, Safety & Environment

- > 2016 Environmental Leadership Award from the Louisiana Department of Environmental Quality
- > 1994-present: Occupational Safety and Health Administration (OSHA) Voluntary Protection Program Star Site
- > Only refinery accepted into the Environmental Protection Agency's (EPA) Voluntary Early Reduction Program for Air Toxics under the Clean Air Act
- > 1996-present: 23 Governor's Environmental Leadership Awards
- > Emergency response drills with local emergency responders
- > 2006-2018: U.S. EPA ENERGY STAR facility
- > 2017 Conservation Certification

## Community

- > Educational Partners with all local K-12 schools providing monetary and mentoring support in St. John the Baptist Parish
- > Largest fundraiser for St. John the Baptist Parish United Way
- > United Negro College Fund Walk for Education
- > Community Advisory Panel
- > Title Sponsor for St. John the Baptist Parish's Andouille Festival
- > Louisiana State University eXploration Camp Inspiring Tomorrow's Engineers
- > Combat Marines Golf Tournament
- > Supplied area needy families with turkeys on Thanksgiving
- > Organize and sponsor the annual Household Hazardous Material Collection Day in the River Parishes
- > Donated 1,000 school supply kits to community
- > LSU Summer Scholars program
- > Hosted career fair for all seventh graders in St. John Parish public and private schools
- > Dual enrollment program with River Parishes Community College and East St. John High School

## Quick Facts

EMPLOYMENT: Approximately 930 employees

REFINING CAPACITY: 564,000 bpcd

Highway #61, Marathon Avenue  
Garyville, LA 70051
